

Impaired Driving Impact Panel of Island County

Keeping you "In The Loop" / August 2008

MISSION: to deter driving under the influence and underage drinking in our communities through education and awareness

Dear Partners in Prevention,

As you know, **our Partners** include any individual, agency, business, church, organization or other group that donates money, materials, service or time to IDIPIC. This support goes 100% towards our organization's mission. Each month we show the new or renewing Group or Individual Sponsors who help us with our mission, and I'd like to take this opportunity to show all our Speakers (S), Helpers (H), Board members (B) and Past board members (P). If I've missed anyone let me know! We couldn't do all we do without you! ♥

What does IDIPIC do? Part 6: Awareness Events

Besides the awareness programs and events we bring to the local elementary, middle and high schools and NASWI, IDIPIC participates in these annual community events and provides the last one:

National Night Out: first Tue. of August (5th this year from 3 – 8 pm) at Windjammer Park. IDIPIC does the Fatal Vision Obstacle Course with golf karts and goggles.

Children's Day: September (13th this year from 10- 2 pm) at South Whidbey Community Park in Langley.

Healthy Youth Fair/South Whidbey: May at Langley Middle School.

Healthy Youth Fair/North Whidbey: first one will be Nov. 15th at SVC's Whidbey Island Campus. Details TBA.

OkSOBERfest: our first among many we hope! At the Elks Lodge Thu. October 16th from 6 – 8 pm. Watch for details!

IDIPIC ♥ Soroptimist International of Oak Harbor!

This very giving organization enhances and benefits the quality of life in our community, and has for many years helped to enhance the safe driving / youth drug prevention programs of the Impaired Driving Impact Panel of Island County. Last year alone SIOH provided funding for not just one but two IDIPIC youth programs that reached over 300 North Whidbey driver's education students in the classroom and hundreds of students at our two local middle schools. IDIPIC is honored to be chosen as part of such community betterment, and that's why we want to take this opportunity to publicly recognize the heart work and hard work of our **Platinum Partner in Prevention, Soroptimist International of Oak Harbor.**
