

IDIPIIC

**A Heart-To-Heart
Community Service**

MISSION

to make our roads
less traveled
by those who drive
under the influence,
and thereby safer for all.

Impaired Driving Impact Panel of Island County

www.idipic.org / idipic@idipic.org "NOT against alcohol, FOR saving lives."

Partners in Prevention:

Absolute Therapeutic Massage, Albertson's, Arby's, Bay Printing, Burger King, Coachman Inn, The Computer Clinic, Del-Jen, Inc., Dollar Power Store, Fleet Imaging Center Pacific, Seattle, Herbalife/Dorothy Cordero, Island Coffee, Isomedia., Kmart, Knights of Columbus #3361, McDonald's / Midway, VAQ-133...

A **Partner in Prevention** is any agency, business, church, command, organization or other group that donates support to IDIPIIC via money, time, supplies or service.

Since IDIPIIC's administrative and operational costs are covered by court- or therapy- or agency-ordered panel user fees, **all such donations go 100% towards IDIPIIC's prevention efforts in impaired driving and underage drinking.** That's because IDIPIIC has minimal administrative costs as its office and phone line are located in a private home. This has served the organization quite well since its establishment in November 2000. Shoestring budget? No, razor-thin! Support helps our youth programs. Check them out and our latest **PICKLES – Positive Influences Changing Kids' Lives in Elementary Schools** at <http://www.idipic.org/files/YouthPrograms.pdf>

In addition to its panels for court-ordered offenders and youth drug prevention programs, **IDIPIIC provides free, fun and factual safety seminars to adult groups as a community service.** Whether groups are 5 or 50 or more, it's an effective way to reach those who work for you with the message that you want them to have all the knowledge needed to be safe on the road.

Thank you and Safe roads,
JoAnn Hellmann, Coordinator
